REPORTS FROM THREE DEPARTMENTS

Water Board Shows Increased Receipts Over Last Year—Recommendations of Fire Department which Kept within Appropriation—Park Commissioners Need \$5,000 this Year.

The water department reports that the year has been an active one, much work having been done for the betterment of the department. While the receipts have been larger, unexpected demands upon the department have made the net profits for the city less than last year. The statement follows: Total receipts, \$70,767.21; disbursements, \$29,120.49; interest on bonds, \$10,350; net profit to the city, \$31,286.72.

In the thirty-seventh annual report of the water commissioners it is shown that the year has been an active one, much work having been done for the betterment of the department. While the receipts have been larger, unexpected demands upon the department have made the net profits for the city less than last year. The statement follows: Total receipts, \$70,767.21; disbursements, \$29,120.49; interest on bonds, \$10,350; net profit to the city, \$31,286.72.

The work on rebuilding the dam at Meadow brook was commenced in May and finished in October, 1909. The completed work has been pronounced by the state engineer most excellent in quality and material and workmanship. The dam has been raised to a height of 12 feet above the old dam, increasing the capacity to 120 million gallons. From the upper reservoir the water is gradually lowered to the old dam, and the water supply of the old dam is maintained. The dam is now in a condition to receive a full supply of water. The dam is now in a condition to receive a full supply of water.

PARK DEPARTMENT.
Sum of \$5,000 Will Be Necessary to Meet Ordinary Expenses for the Ensuing Year.

The board of park commissioners in their report state that the work done at Mohegan park with the money heretofore provided is gradually bringing about the conditions aimed at in the beginning. The design has been and is to provide well constructed paths of the park, to make footpaths which will lead through various sections of the park, and to make the park a more important work done the past year was the formation and grading of the park, and the work of the park department is to be continued.

The second part of road No. 2, which leads from Boswell avenue, was completed under the direction of the park department. The road is now in a condition to receive a full supply of water. The road is now in a condition to receive a full supply of water.
